

## Attendance Awards at Brackensdale- July 2019

Improving attendance at Brackensdale has been one of our main priorities this academic year. We are pleased to announce that it has improved dramatically.

Many children have improved their attendance hugely and some have had 100% attendance all year-those children in the middle photograph.

Isabella Mensah was lucky enough to win a Kindle in the 100% attenders draw.

We will continue to work together with parents to ensure that this improvement carries on into 2019/20 as we know that it makes a significant difference to the children's overall achievements.
