

Miss Letitia McCalla
Chair of the Standards Committee
LA Governor

I am the LA governor at Brackensdale Primary School. I am also Chair of the Standards Committee. I joined the governing body in 2015 and my role has evolved over time as I started as a parent governor. As the LA governor I organise governor training. On the standards committee we look at the curriculum and attainment with the view of ensuring that all children at Brackensdale continue to receive a good education.

I am a trade union adviser in an education union, so I have a lot of experience in education, personnel, policies and procedures. I also have a bachelor's degree in English Law, my favorite topic being Employment Law. I use the skills and experience I have gained through my studies and work in my role as a governor. Both of my children have attended Brackensdale so I enjoy giving something back to the school as a governor. In my free time I enjoy spending time with my family, reading and listening to music.
