

Mr Iain Bater
Chair of Governors
Parent Governor
Term of Office: 2018-Present

My name is Iain Bater and I am a Parent Governor. I was elected as the Chair of the Governing Body In 2018, following the merger of the Infant and Junior Schools. I sit on both sub-committees, and am the Lead Governor for SEND (Special Educational Needs and Disabilities). I am also one of the Governors aligned to the PE part of the curriculum throughout the school.

I spent 28 and a half years working in various roles at Rolls-Royce before I left in 2013 to be a carer for one of my sons who has a diagnosis of ASD. It was at this point that I joined the Governing Body at the Juniors, where 3 of our sons had had a really successful and positive school experience. I am passionate and committed to ensuring that the school provides the best possible learning journey for ALL pupils regardless of background and ability, and will work tirelessly with David and his team to ensure this happens.

I have no Business or Pecuniary interest and my attendance for all Governing Board meetings held during 2018 is 100%.
