

Attendance has been a main focus since we became Brackensdale Primary School and we are pleased to say that the latest information shows that attendance levels have improved in both the infant and junior parts of the school.

We know how much it matters for your child to come to school on time every day and how quickly it can be detrimental to their education if they don't.

THANK YOU for working in collaboration with us to make improvements in this area.

We will continue to monitor this carefully and will keep you updated. It really does make a difference!
