

We are now a 'Word Aware' school. This is an area identified in the school development plan as one that will enhance the achievement across many subjects for all pupils and contribute to our drive to further improve outcomes at Brackensdale Primary School.

The children across the whole school will be learning new vocabulary linked to quality texts and the topics they are studying each term. It will be presented in a specific way to the children in school but we hope that the children share some of these exciting new words with you at home.

Please feel free to speak to your child's class teacher if you want any further information.
