

SATs Information 2017/18

Here are some of the results from 2017/18 which show an improvement on our 2016/17 results. As we have a high proportion of children with additional needs (SEND) it shows the results with ALL pupils and then WITHOUT SEND pupils.

We will be working hard together with parents to ensure that our 2018/19 results continue to show an upward trend.
