English

Our text types will be:

Recount

Rhyming Poetry

Narrative based on the book 'Peepo'

We will be learning to write simple sentences using capital letters, finger spaces and full stops.

Mathematics

We will be following the National Curriculum for Year 1 and use the White Rose Maths scheme of work.

Our areas of learning will be:

Place Value (within 10)

Addition and Subtraction

P.E

Fitness: The children will learn about and practise circuit, interval and agility training. They will learn to perform different exercises in order to help them keep fit and healthy. They will learn how to evaluate others' work and consider the effect exercise has on their body.

Autumn 1 Year 1

This half term's planning for the Seahorses, Ladybirds and Butterflies.

Memory Box

Religious Education/PHSE

We will focus on Christianity. The children will look at the Creation story and explore how Christians behave towards nature and the environment. We will learn about our emotions and about how we can keep our bodies healthy.

Science

We will be learning to:

Identify and label basic parts of the human body.

Explore the five senses.

Observe changes across the seasons.

Look at Autumn and the weather associated with the seasons.

History

We will be learning about changes in living memory.

The children will be reflecting on memories, photos and artefacts from their past.

We will look at objects through time and explore how they have changed.

Art and Design Technology

We will be learning to:

Use basic principles of a healthy and varied diet to prepare simple dishes.

Make food for a Teddy Bears' Picnic.

Explore the work of different illustrators and artists.

Experiment with line, texture and shading.

Draw and paint a teddy bear.

Music

We will be learning:

Teddy bear songs and rhymes.

To listen to different types of music by various composers including Tchaikovsky.

To name and play a variety of instruments.

To compose a simple piece of music using different instruments.

Computing

We will learn about technology in the classroom and about how to use a computer responsibly. We will become familiar with the computer keyboard and develop our keyboard and mouse skills.
