

## LITERACY

Our text types will be:

- Recounts
- Poetry
- Story writing based on the book "Bubble Trouble."
- Instruction writing.

We will be learning to write using capital letters and full stops. We will be learning to add adjectives to our writing and extend sentences using a range of conjunctions.

In shared reading we will be reading poetry, non fiction about the seasons and fiction – The Rainbow Bear.

## MATHEMATICS

We will be following the National Curriculum for each year group depending on needs and abilities.

We will be using the White Rose Maths scheme of work. This will include missed learning from year 1.

We will be learning about place value, addition and subtraction.

## P.E.

We will be learning :

To develop a variety of skills in 'Fitness is Fun'. We will be taking part in fitness activities to develop healthy bones, muscles and joints. Also develop healthy heart and lungs and co-ordination.

## AUTUMN 1 2020

This half term's topic for Year 2 -  
**The Rockets and The Stars** is:

# Muck, Mess & Mixtures

## R.E. / PSHE

We will look at Christianity.

Theme : What did Jesus teach?

We are learning to re-tell Bible stories that show kindness and to explore how this makes Christians behave towards others.

To understand what constitutes and how to maintain a healthy lifestyle, including the benefits of physical activity, rest, healthy eating and dental health.

To recognise how to make informed choices and that choices we make have consequences.

## ART AND DESIGN

We will be learning :

To develop a range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

About the work of a range of artists, including Carl Warner.

To describe differences and similarities and make links to our own work.

To use a range of materials creatively to design and make products.

To use drawing, painting and sculpture to develop and share ideas, experiences and imagination.

## SCIENCE

### Materials

We will be learning :

To identify and name everyday materials

To identify different uses of everyday materials.

To perform simple tests.

To observe closely using simple equipment.

To gather and record data to help in answering questions.

To use observations and ideas to suggest answers to questions.

To learn about scientists and inventors – Charles Mackintosh

## MUSIC

We will be learning :

To use our voices expressively and creatively by singing songs, speaking chants and rhymes.

To play tuned and un-tuned instruments musically.

To listen with concentration and understanding to a range of high-quality live and recorded music.

To experiment with, create, select and combine sounds using the inter-related dimensions of music.

## COMPUTING

We will be learning:

To use technology purposefully to create, organise, store, manipulate and retrieve digital content.

We will focus this half term on **What is Information Technology?**

## HOMEWORK :

We are encouraging children to try 1 or 2 of these activities during the half term.

Working alongside parents/ carers is also encouraged to share the learning.

Rewards will be given to those who try hard.

No sanctions will be given to those who are unable to have a go. Try your best!
